Mifis Lackierung is an innovative German company active in the field of individual colour and interior design for private living spaces, office or shop spaces as well as hotels. We offer modern solutions for all kind of surfaces with individual shaded lacquer of premium quality. Mifis Lackierung offers individual colour an interior design for: private living spaces, office space, shop space and hotels. The company can offer paintings of all kind of surfaces like aluminium, meta \downarrow stainless, stell, titanium, synthetic material, glass, wood, 3D prints. For example it is possible the lacquer a facade and the company car with the same color so that it fits the individual corporate design. Walls can be painted with the matching colour of stairs an railings, doors, covers, chairs an other furnishings even in combination with a company logo or integrated pictures.

Shades:

- Premium lacquer which can be used for small and series painting
- All innovative shadings are possible and can be offered in different metallic sizes (fine or coarse metallic) without changing the shade
- The shade can be painted again for example when the client wants to add a new element to a room
- Different and rare colour cards from USA
- Colour sample cards and small colour shapes which are hand painted

Quality:

- All shades can be coated in different haptics- high gloss, silky sheen, satin finish, dull
- Soft paint with a high resistance and scratch resistance
- All shades are finally coated with 2K lacquer for UV-, water-, solvent resistance
- Surfaces are odorless (important for indoor)
